SUPPLEMENT TO
REPORT NO.

1. Up until about the middle of 1953 considerable preparation was made for the resumption of manufacturing in the former Junkers factories at Dessau. Because the work was carried out with great haste it appeared that the production of airplanes would soon [REDACTED] July 1953 the pace was reduced and by the end of 1953 the work [REDACTED] almost entirely stopped. It is believed that the resumption of [REDACTED] in the former Junkers factories is no longer being considered.
2. The construction office in Pirna was connected with the resumption of [REDACTED] This office was closed in December 1953.
3. None of the approximately 30 engineers who were formerly employed at the Junkers factories and who were taken from their homes at night during the spring of 1953, [REDACTED] been returned.
